

VOLUNTEER OPPORTUNITIES

Volunteers are an integral part of Spirit in the Pines Camp! For questions or additional information, please contact Burke Hancer 952-937-2776 ext 16 or bhancer@standrewlu.org.

Health Care Volunteer

You'll experience first-hand the power of the Holy Spirit as you help care for the physical (Band-Aids & meds) and emotional (nurturing) needs of our youth campers & counselors. First Aid/medical training preferred. You may volunteer with family members if desired, & you'll have some free time to enjoy the camp and surroundings. See the Youth Camp information on the website for camp dates. Scroll down for registration form.

Cabin Work Projects

Two new cabins are ready for interior finishing, and the "experienced" cabins are being refurbished! Join Burke Hancer and other volunteers for a great time of fellowship! All able-bodied, enthusiastic volunteers high school age & older are welcome! No cost to attend. Groups are working nearly every weekend throughout winter & spring.

Counselor - CIT

Spend a Youth Camp session serving as a Counselor or Counselor-In-Training. High School age through College Age students are eligible. Sign-up begins in November. There is an application process, with training & participation requirements. Refer to the Counselor - CIT - Staff links on the website.

Family Work Weekends

Camp Opening April 27-29
Memorial Weekend May 25-28
Camp Closing October 12-14

A great opportunity for families to fellowship with friends old and new, while accomplishing needed tasks at camp. There are jobs for all ages and abilities. No cost to attend. Group potluck meals.

Camper Send-Off

Assist with camper check-in at St. Andrew as campers gather to board the bus for Spirit in the Pines Camp. Experience the energy & enthusiasm of camp without actually going there! A "small army" of volunteers is needed to send off the campers each session. Please contact Sandy Perkins with your interest 952-937-2776 ext 67 or sperkins@standrewlu.org
